BLACK STICK™

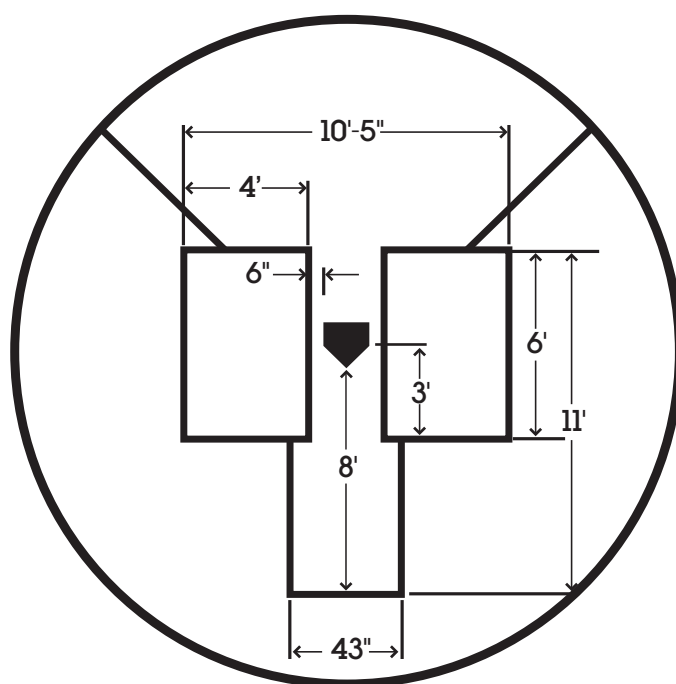

PC BLACK GUMBO MOUND CLAY

ULTIMATE PROFESSIONAL MOUND CLAY

10-Inch Pitching Mound:

Home Plate Area:

Maintenance Tips

- Scrape our depressed area to properly clean
- DO NOT apply clay without first cleaning the affected area
 - Dampen the area with water
- Insert mound clay into depression and tamp clay down - full compaction
- Place infield mix on top of mound/batters box
 - After use, rake and fill in low spots at:
 - Home plate and batter's box
 - Pitcher's mound
 - Around all bases
